Mr Russell Gillon

PALMERSTON ACT 2913

Dear Mr Gillon,

Thank you for your recent letter regarding the poor services of broadband in the Gungahlin area. I agree that it is important to have a well-performing broadband network, and it is difficult to understand why the Government has not put measures in place to ensure that Gungahlin has acceptable broadband services.

I have written to Telstra to seek further information on the issue, and to seek their views on how the ACT Government may be able to assist Telstra to fix the problem. I have also written to the Chief Minister to seek the Government's response to the issue and to inquire as to what action he will take to improve broadband services in Gungahlin.

I will be in touch when I have received further information. In the meantime, please keep me updated on any developments so I can continue to follow this up.

Yours sincerely

Zed Seselja MLA
